3 6. Shindler Anderson is counsel of record for Plaintiffs Ramtin Zakikhahi et

5 7. My Firm, which assisted Class Counsel during the course of the Action,

22 of this was to confirm the accuracy of the entries in the time records as well as the
23 necessity for, and reasonableness of, the time and expenses committed to the Action.

24 10. I believe that the time reflected in the Firm's lodestar calculation and the
25 litigation expenses for which payment is sought are reasonable and were necessary for
26 the effective and efficient prosecution and resolution of the Action. In addition, I
27
28

1 believe that the expenses are all of the type that would normally be charged to a fee-
2 paying client in the non-contingent marketplace.

3 7. Shindler Anderson has incurred a total of \$ 1,000 in unreimbursed
4 litigation expenses related to filing fees in connection with the prosecution of the
5 Action. The expenses are reflected on the books and records of the Firm. These

7 source materials and are an accurate record of the expenses incurred.

8 22. Should the Court wish to review *in camera* any of the detailed time or
9 cost records underlying the amounts recited in this Declaration, they are available.

10
11 I declare under penalty of perjury under the laws of the United States that the
12 foregoing is true and correct.
